*TOTAL MILEAGE (Add Total of Improved & Unimproved Mileage)	658.790			-18.840	-0.530			18.400	-0.970	657.820

WARNING

*This Total Mileage also does not represent all mileage in the area of jurisdiction. It does not include, for example, city streets, private roads, Forest Service, or BLM roads, or any other roads that may exist, but are not considered (by the jurisdiction) to be part of that jurisdiction's road system. There are, usually, many miles of roads in existence beyond those included in this report.
